# About Biz Kidz Academy

**Biz Kidz Academy** is a non-profit 501(c) organization founded by Dr. Marlene Jackson and her daughter, Ashley Jackson, a School Counselor with the Baltimore County School System. The Christian-focused organization was established to inspire both girls and boys (Ages 5-18) to be successful kidpreneurs. Biz Kidz Academy is currently offered in Maryland and Atlanta. Partnerships are also being developed to launch the program in Chicago, California, New York and Canada.

In conjunction with The Girl Scouts of Central Maryland, Maryland Lt. Gov. Boyd Rutherford, Howard County Public School System, Howard County Chamber of Commerce, Maryland Center for Entrepreneurship, Comcast Cable TV and other organizations, our program engages young entrepreneurs in real-world business experiences, events and activities.

Our objective is to motivate business-minded kids to creatively embrace their entrepreneurial spirit, lead confidently, think critically, and be financially responsible. We strive to build kids' business awareness by providing them with educational funding, mentoring opportunities, one-on-one guidance, and business resources.
